SMALL GROUP QUESTIONS

We are Christ Church: We are Afflicted

- What sustained Paul's hope, joy, and passion for living in a God-honoring way when he was in a prison cell?
- Why is endurance in affliction so much easier when you have purpose? Why should extending the Gospel message be our ultimate purpose?
- How does expecting affliction help you walk through affliction?
- What affliction are you currently walking through? How can you exchange accusation for invitation and begin to see your disappointment as God's appointment? Share with your small group and pray for one another.
