SMALL GROUP QUESTIONS

We are Christ Church: We are Empowered

- Read Ephesians 5:15-20. Paul mentions that the days are evil. "Look carefully" means to be cautious and avoid harm. We must ask for God's will and make wise choices by studying His Word, praying for wisdom, and seeking godly counsel in community. Are there areas in your life where you haven't been "looking carefully"? What are they?
- Do you read the Bible like you are in a discussion with the Holy Spirit? Why is the Holy Spirit's involvement in your studying so important (think about illumination)?
- When you are filled with the Spirit, what is the outcome? Are you experiencing Spirit-filled worship in your life?
- What one thing can you focus on this week to live out of your identity as empowered? Ask your small group to hold you accountable.
